**PALM BEACH DENTAL SPECIALISTS**  
*trusted prosthodontic experience*

The path to a brighter smile begins here.

*If your teeth have suffered any type of damage, or if you're simply not happy with them, the solution may be closer — and quicker — than you think.*

At Palm Beach Dental Specialists, we focus on dramatically improving the way your teeth feel, look and function. From dental implants and reconstruction, to oral cosmetics and facial aesthetics, we're ready to help you find the smile you've always wanted. And in some cases, we can help clients get the results in as little as one visit. For over 35 years, families throughout South Florida and beyond have turned to Dr. Clive Boner and Dr. Eli Friedman to help them with their most complex dental needs.
